“Clean Energy Solutions for the Future”

About Us

Powering a Brighter & Greener Future Since 2010

Established in 2010, Seven Star Solar Enterprises is a trusted solar energy company committed to delivering clean, affordable, reliable, and high-quality solar solutions. With more than 15 years of industry experience, we have developed a strong presence across Telangana and Andhra Pradesh, helping thousands of customers transition to dependable renewable energy.

Our expertise covers residential, commercial, institutional, and industrial solar projects. From small rooftop installations to large-scale solar power projects, we combine quality products, professional installation, technical expertise, and dependable after-sales support to deliver solutions that create long-term value for our customers.

VISION – SEVEN STAR SOLAR

To become a trusted solar energy company to realize sustainable clean energy.

“To make Seven Star Solar a trusted and leading solar energy company across Telangana and Andhra Pradesh, bringing clean, affordable, reliable, and high-quality solar power to every home, business, and community.”

Our Vision

- Clean Energy for Every Home
- Trusted Quality & Professional Installation
- Long-Term Customer Relationships
- Fast & Reliable Service
- A Greener and Sustainable Future
- Continuous Growth & Innovation

Our Goal

“Powering Today. Building a Brighter Tomorrow.”

Over the years, we have successfully completed thousands of solar off-grid systems across Telangana and Andhra Pradesh, helping homes, businesses, institutions, and communities benefit from clean and dependable solar energy.

Our experience covers a wide range of solar solutions, including:

- Solar Off-Grid Systems
- Solar On-Grid Systems
- Solar Water Pumping Systems
- Solar Street Lighting Systems
- Solar Water Heating Systems
- Residential, Commercial & Industrial Solar Projects

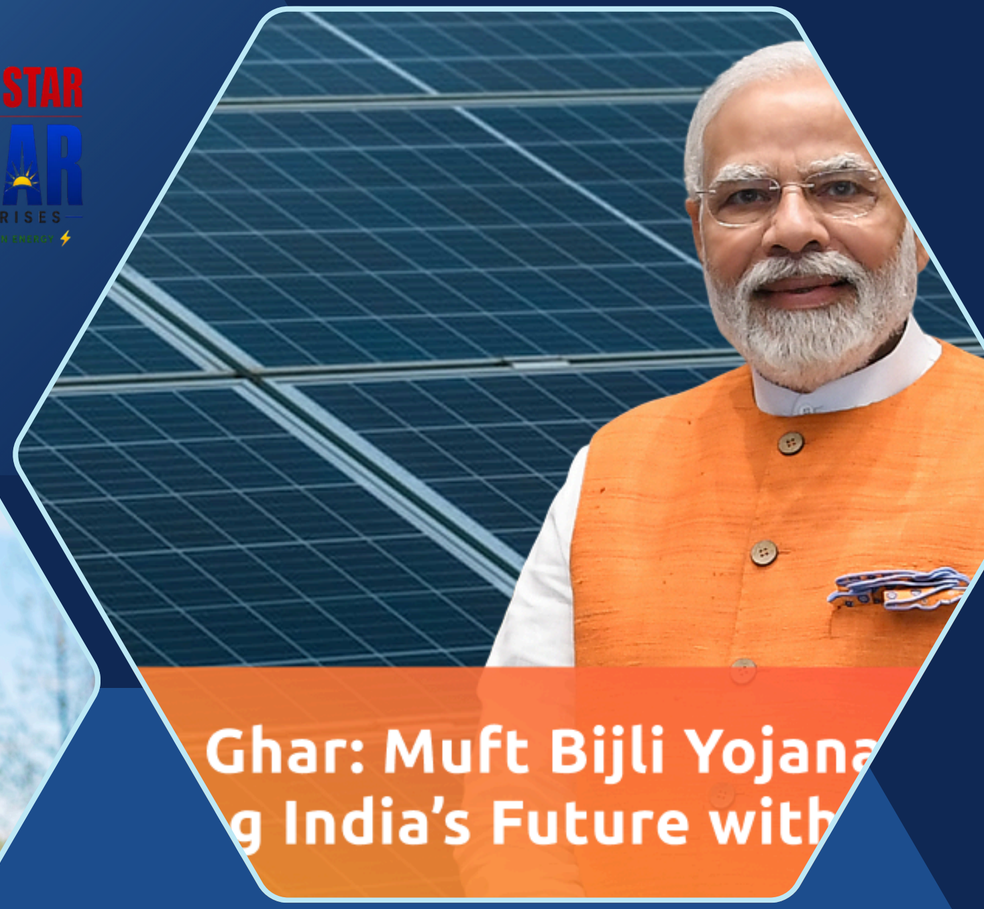

With extensive technical and field experience, Seven Star Solar Enterprises undertakes On-Grid Solar Power Projects ranging from 1 kW residential systems to large-scale Megawatt projects across South India.

PM SURYA GHAR – MUFT BIJLI YOJANA

Taking another major step towards India's clean-energy mission, Seven Star Solar Enterprises is actively involved in the PM Surya Ghar: Muft Bijli Yojana.

- Renewable energy source
- Environmentally friendly
- Abundantly available

We are currently working on **2,000+** rooftop solar systems, supporting families in their transition towards affordable and sustainable solar power.

OUR STRENGTH

- 15+ Years of Solar Experience
- Thousands of Successful Installations
- 2,000+ PM Surya Ghar Solar Systems
- 1 kW to Megawatt Project Capability
- Strong Presence in Telangana & Andhra Pradesh
- Solar Project Experience Across South India
- Professional Installation & Reliable After-Sales Support

OUR COMMITMENT

At Seven Star Solar Enterprises, our mission goes beyond installing solar panels. We strive to build long-term relationships with our customers by providing quality, reliability, transparency, professional service, and sustainable energy solutions.
